EST. EXT. WIZARD COLOSSEUME -DAY

Push in on window to.

INT. WIZARD MEETING - CONTINUOUS

An ARCH MAGE perched atop a raised podium holds court.

ARCH MAGE.

Now turning our attention to the ants at the snack bar. Terry, what the fuck.

TERRY

Oh I get it just blame the ant wizard for the ants.

ARCH MAGE.

We're not blaming ant wizard Terry, he's cool.

We see a shot of a wizard who is literally an ant, he looks chill like that.

TERRY

This is a completely normal amount of ants. You know how many ants there are in the world? This is a fraction of the ants.

TERRY waves his hand dismissively, SPLASHING ants onto wood wizard.

WOOD WIZARD

My croissant!

Wood wizard SCREAMS IN AGONY as he is devoured by ants (chain saw noises).

TERRY

Shut up wood-wizard we're all trying to find the guy who did this.

Terry walks up the steps of the amphitheater inspecting wizards and spreading more ants in the process.

TERRY (CONT'D)

Are these your ants lizard man I mean wizard. That's a suspiciously confusing name.

Terry shoves ants under the nose of LIZARD WIZARD.

TERRY (CONT'D)

How about you bowling wizard. You bald bastard. I wouldn't put it past you.

Terry slaps the top of bowling wizards head sending it flying into some bystanders.

ARCH MAGE.

Terry just stop.

TERRY

Now that I'm used to it. I'm kind of cool with this many ants. This is a chill amount of ants I-M-O

Terry takes off his hat and dumps out a WAVE of ants which CARRY him further up the colosseum steps to Butt Wizard who has a plate of ant covered donuts in his lap.

TERRY (CONT'D)

Whoever brought these ants must be a pretty cool guy, right Butt Wizard.

BUTT WIZARD

(angry farts)

Vhh vhh vhh vhh

TERRY

What you got there? Not gonna eat that? Why not? Looks relatively ant free to me. I see two three ants TOPS.

Terry grabs an ant covered donut with his foot and stuffs it in his mouth.

Terry swallows a lump of ants. Seeing this makes BUTT WIZARD gag and VOMIT all over the floor.

TERRY (CONT'D)

What's the matter bro can't stand being wrong I'm f-

A persistent stream of ants bursts forth from Terry's mouth. The never ending stream of ants tide onto all wizards in the colosseum. Covering them in a layer of ants.

TERRY (CONT'D)  
(still spewing ants)  
Ok guys who's doing this. Jokes  
over.

ARCH MAGE.  
Damn it Terry this is the last ti-  
agh fucking ants.

He notices ants are climbing up the podium and onto his body.

Cut to:

EXT. WIZARD BUILDING DAY.

Credits role as ants slowly consume the building.

TERRY  
Really fellas this is just going  
too far N-G-L it's kinda sus.

ARCH MAGE.  
(in a booming voice)  
TERRY!

FADE OUT.
